- Status changed from QA Ready to Reopened

1. Incoming call screen showing in the driver app when it opens through the floating icon.

Step:- Make trip >> Hide the driver app >> Call the driver >> Open the screen from the notification >> Do the steps multiple times >> Open the driver app through the floating icon.

2. Call screen showing in the driver app, even if the call ends from the rider app.

Step:- Make trip >> Call the driver >> Check the call receives the driver.
