Open the tukxi admin web application  
Click on the mentioned url for excel updating

- [https://mine.tukxi.in/admin/import\\_incentives.php](https://mine.tukxi.in/admin/import_incentives.php)\*  
Upload any sample excel csv file with incorrect file name and incorrect data into it

Actual Result: User is able to upload the data even with incorrect- filename and incorrect data type  
Expected Result: Validation should be present inside the csv file data as well for the file name  
for eg : Validate column name and its content
