

Tukxi Ride - Bug #3347

Device ID is not regenerating, so the push notification was received to the previously logged device.

09/09/2024 04:28 AM - Shalu T S

Status:	QA Passed	Start date:	09/10/2024
Priority:	High	Due date:	09/11/2024
Assignee:	Anjali M	% Done:	0%
Category:		Estimated time:	8.00 hours
Target version:	1.0.1	Spent time:	0.00 hour
Milestone:	Sprint 19 Tukxi Ride 2024 May 01 to May 31	Branch name:	sprint-19_anjali_3347

Description

Device ID is not regenerating, so the push notification was received to the previously logged device.

STR

1. Login to a driver app.
2. Logout the driver.
3. Login with the same driver on another device.
4. Send push notifications to the driver.
5. Check the push notification on both devices.

ER

5. Push notifications are only expected to be received on the logged-in device, not on the previous logged device.

AR

5. Push notification is only expected to be received on the logged-in device, but it is also on the previous device.
